PROPOSED NEW  
COMMUNITY FACILITIES  
AT WESTPORT DEMESNE

## INTRODUCTION

Westport United Community Soccer Club Limited has recently purchased a superb 13.5 acre site in the grounds of Westport House within five minutes walk from the town centre and connected to all existing and planned road networks and cycle and pedestrian paths. With planning permission obtained, €300,000 public sector grants secured and with over 300 club memberships taken out, the club is about to commence the first phase of the most exciting community sporting facility ever planned for the town of Westport. It will cater for almost 500 players, both male and female at all age groups from under 8s to over 35s.

## WHAT HAS BEEN ACHIEVED TO DATE?

- 13.5 acre site has been purchased.
- Planning permission has been secured.
- Grant of €100,000 has been secured from Westport Town Council.
- Sports Capital Grant of €200,000 has been secured.
- Club membership established with in excess of 300 members.

## WHAT DOES THE PROPOSED DEVELOPMENT INCLUDE?

- 13.5 acres site size.
- Two international size grass playing pitches.
- One Mayo/Connaught League standard grass playing pitch.
- Training areas and under-age pitches.
- All-weather playing surface.
- Club house and spectator stand to include the following:
  - Six changing rooms (male, female and under-age).
  - Referee's rooms, treatment room, merchandise room, public WCs, stores.
  - Fitness/training room, committee room and multi-use events room.
- Spectator stand for up to 1,000 people.
- Car parking and bus parking.
